THE CANADIAN ASSOCIATION OF RADIOLOGISTS INVITES YOU TO BE PART OF OUR 2023 ANNUAL SCIENTIFIC MEETING – THE PREMIER EVENT FOR RADIOLOGISTS IN CANADA!

MESSAGE FROM THE CEO

Dear Sponsor,

The Canadian Association of Radiologists (CAR) is excited to host CAR 2023, our 86th Annual Scientific Meeting. This year we are thrilled to return to an in-person event. We will also be offering a portion of our programming on demand utilizing an interactive platform to accommodate a larger breath of radiologists internationally. CAR 2023 will welcome over 600 + radiologists from across the country and is the premier event for medical imaging in Canada.

CAR 2023 will showcase world-class speakers and focus on topics specific to **advancing imaging care through innovation**. We invite you to be part of this dynamic event, to celebrate over 85 years of technological development, clinical

achievement, and radiology education with a passionate group of clinicians, researchers, and radiology leaders from across the globe.

As an official sponsor of CAR 2023, your organization will have the opportunity to showcase your product/solution and to network with radiologists and radiologists-in-training. We have several networking events throughout the meeting and will have an interactive app for participants to connect with one another.

The 2022 CAR Annual Scientific Meeting was a huge success and welcomed over 653 delegates and 22 sponsors/exhibitors. The vast majority of attendees were CAR member radiologists from across Canada, however, participants also included individuals representing radiology business managers and other medical imaging stakeholders.

Within this prospectus are different options for sponsorship. We have also included a few select opportunities, which you can add on to your sponsorship level for an additional cost. We encourage you to identify your desired sponsorship quickly. We expect another sold out event and certainly look forward to having your support as a key partner in this inspirational meeting.

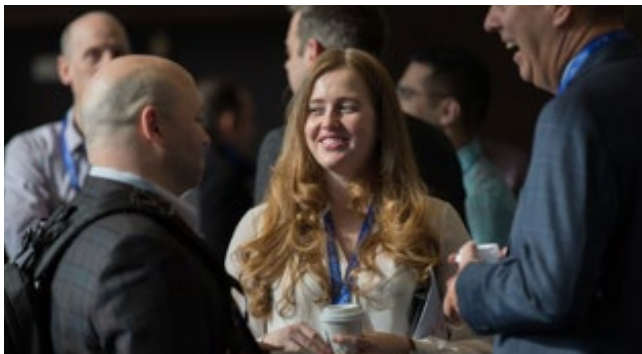

Sincerely,

A handwritten signature in black ink that reads "Nick Neuheimer". The signature is fluid and cursive.
