

RAD Academy Media Release Policy

Permission to Reproduce Presentation(s) on RAD Academy

In consideration of the opportunity to present or provide this material to the Canadian Association of Radiologists (CAR) for the benefit of its members, I hereby grant to the CAR an unlimited, non-exclusive license to reproduce and distribute in part or in its entirety and in any format-printed, electronic, or otherwise-my paper, presentation, slides, illustrations, and/or other related documents for educational, promotional, or other official purposes of the CAR. By agreeing below, I warrant that I am the sole owner of the materials submitted, that the materials are original and not libelous, and/or that I have the legal authority to grant this license to the CAR. Further, I warrant that these materials do not infringe on any statutory or common-law intellectual property rights or right of privacy of any individual or organization. In the case of authors and presenters who are officers or employees of the Canadian government, the CAR recognizes that works prepared by them as part of their official government duties are in the public domain.

I further grant permission to the CAR's learning management system, RAD Academy, to make full use of this Recording as specified in the terms in the above paragraph in order to provide non-commercial preservation and access to this Recording.

Multimedia Release

I hereby grant permission, to the Canadian Association of Radiologists (CAR) to use, publish, reproduce, and/or disseminate, in any form or media, any film, video, audio, or photo containing my likeness, image, or speech for the purpose of creating agendas, program materials and handouts or otherwise promoting its programs, meetings, or symposia. The CAR may copyright and distribute materials containing the film, video, audio, or photograph without further approval from me, and I hereby waive any claims I might have against the CAR related to such appearance(s) in the final product(s).
